ABOUT

Have a hens night like no other. Pick a style of dance, learn a professionally choreographed routine, dress up, and have a photo shoot, then hit the town and wow the locals.

Bringing a bit of cheeky fun to the wedding industry. The ultimate Hens Day or Night. What better way than to celebrate with a dance party! Learn a sassy and fun routine with a glam photoshoot to boot. It's all about enjoying yourself and having a fabulous time with the girls. This really is the ultimate hen's party.

Our photo shoot helps capture the fun of the moment. Everyone, no matter how young or old, can enjoy the photo shoot experience in your theme. There is no limit on how many photos can be taken; pose away with your Hens Party, it's yours for the duration of the booking and guests can create as many crazy fun times as they like. Whether it's sexy, crazy or punk – the choice is yours! (The photo shoot is an optional extra, it is not included in the package price).

Our choreographers are experienced and will make sure everyone can achieve a dance routine within the time limit provided, beginner to advanced levels. Chose your preferred dance style (twerk, burlesque, Hip-hop, and more). Let the fun begin!

Many giggles with the girls whilst learning how to Hip Hop, Tease or doing your Jazz Retro style as a pro! This is the perfect Hens day or night activity to bring together a group of girls for a great session, suitable for all levels of experience.

A night
out like
no other
