## ABOUT

**Dancing is great  
for the soul.  
Dancing not only  
improves your  
physical health  
but your emotional  
health too.**

At Your First Dance Co. (YFDC), we understand that the joy of dance extends beyond children and professionals.

Our adult classes cater to those who, for various reasons, have a newfound or rediscovered passion for dance. Unlike generic dance-inspired cardio routines, our adults-only classes at YFDC offer genuine dance experiences.

Engage in styles like Twerk, Burlesque, Hip Hop, and Jazz while getting a workout. Regardless of age or skill level, these classes are tailored for every adult.

Additionally, YFDC arranges extra outings, providing a chance for attendees to explore new activities and build lasting friendships.

“

**Dance is  
the hidden  
language of  
the soul of the  
body**

”
